

Adam Bede, 1996, 598 pages, George Eliot, 0192831666, 9780192831668, Oxford University Press, 1996

In Adam Bede (1859) George Eliot took the well-worn tale of a lovely dairy-maid seduced by a careless squire, and out of it created a wonderfully innovative and sympathetic portrait of the lives of ordinary Midlands working people--their labors and loves, their beliefs, their talk. This edition reprints the original broadsheet reports of the murder case that was a starting point for the book, and detailed notes illuminate Eliot's many literary and Biblical allusions.
